AMENDMENT

S I R :

The Office of the Draftsman issued a Notice of Drawing Requirements on July 20. Applicants have now complied with this; however, in so doing, figure 14 had to be divided into figures 14a and 14b. This requires that the application be amended as follows:

IN THE SPECIFICATION

Page 11, line 5: change "Figure 14 presents" to -- Figures 14^A and 14^B present --.

Respectfully submitted,

FELFE & LYNCH
